Subject: ARPA Organizational Project Draft: Tablet and Laptop Lending Program at SASC
Attachments: Organizational Project Draft, American Rescue Plan, City of Stoughton, WI, SASC.pdf

I've attached a draft ARPA request for expansion of the Tablet and Laptop Lending Program at SASC.
Cindy McGlynn and Hollee Camacho have reviewed it.

A second request to add outdoor wifi access points in City of Stoughton parks will not be complete in time to meet the March 30 deadline.

Thank you for your patience and help.
