RE: Delinquent Personal Property

The attached Personal Property bills are all delinquencies from 2021-2022. They are all out of business or have moved out of the city limits and have proven to be uncollectable. The bills have been charged back to the other taxing jurisdictions (County, School District and MATC) and $1,141.21 was recouped. The criteria to charge back the taxing jurisdictions is the business has to be bankrupt, out of business or moved out of the City limits. I am requesting that the amount of $720.34, which is the cities portion of the 2021-2022 bills, be written off in full for the businesses that have proved to be closed or relocated and uncollectable.
