Subject: Dane County Agreement for Street Project

The City and Dane County share maintenance responsibility for CTH N from USH 51 to Academy Street. We have been working jointly with Dane County for rehabilitation and improvements of this segment of street in 2018. The City has funds budgeted for this work to occur in 2018 and recommends entering into an agreement with Dane County for them to make these improvements and share in the costs as outlined in the agreement.
