DATE: April 23, 2010

TO: Luann Alme
City Clerk

Cc: Donna Olson
Mayor

FROM: Karl D. Manthe
Street Superintendent

SUBJECT: Items for the April 27, 2010 Common Council Meeting from the Public Works
Committee

Council Agenda:

New Business

1. Award 2010 Street Construction:

Bids were opened on Thursday, April 22, at 2:00 PM. Staff recommended the low bid at the Public Works Meeting on April 22 for S Van Buren Street Construction Project and Prospect Lane Construction Project.

Motion by McKichan, seconded by Tone to recommend to Common Council to award the 2010 Street Construction Project to Forest Landscaping & Construction for the bid of \$420,645.00. Motion carried 4-0.

Old Business:

5. **Paradise Pond Update:** *Scheel* stated that the project is currently being advertised in the traditional manner with bids due by May 6th and also a separate bid for the pumps under Bid Bridge which is due on May 4th. After the bids are received a decision will need to be made as to whether or not to proceed or proceed in steps as we do not have a permit yet. The estimated time for the project to begin would be early July and finish around the end of Sept – early October.
6. **Review Proposed Changes & Recommendation – Removing Snow from Sidewalks – Sec 64-13 Snow & Ice Removal:** In paragraph (a) the time was changed from 9:00 AM on the day to on the second day. The committee was still concerned about the time frame given for when the City steps in and clears and charges for the work and also felt that, if the property was a rental, both the occupant and the homeowner should be notified. The first offense each year will be handled with a door tag. The committee decided that there needs to be a policy in place to address this issue separate from the ordinance. Staff will work on a policy and submit at the May meeting.
7. **Wood Storage Site for Ash Trees - Update:** *Manthe* mentioned three sites – 1) Utilities property, 2) Payne & Dolan site in which they are trying to annex into the City and 3) 1000 East Street which also has a building on site which could be used for storage – *Manthe* will be checking into the situation surrounding this property. Properties 1 & 2 have already said it would be okay for the year 2011. Other details such as operational costs vs. costs generated are still being developed.

New Business:

8. **Award Bid & Recommendation 2010 Sidewalk, Curb and Gutter Replacement Project:** *Scheel* stated this project is an annual project and felt we had received good prices overall and recommended that we approve the bid of \$84,900 from N & N Cement a local contractor that will be working with DW Nelson. **Motion by McKichan, seconded by Tone to recommend to Common Council to award the 2010 Sidewalk, Curb and Gutter Replacement Project to N & N Cement for the bid of \$84,900.00. Motion carried 4-0.**
9. **Award Bid and Recommendation 2010 Street Construction (S Van Buren St & Prospect Ln):** *Manthe* stated that on April 22, 2010 the re-bids were opened at City Hall for the 2010 Street Construction projects of Prospect Lane (W Main St to W South St) and S Van Buren Street. The low bid was from Forest Landscaping in the amount of \$420,645.00. There was a cost savings and the committee requested that *Manthe* produce a list of other projects and prioritize the list. **Motion by McKichan, seconded by Tone to recommend to Common Council to award the 2010 Street Construction Project to Forest Landscaping & Construction for the bid of \$420,645.00. Motion carried 4-0.**
10. **Future Agenda Items:** Noxious Weeds (Committee chose not to bring back), Crosswalk placement for Youth Center, Paradise Pond Update, Snow & Ice Removal Sec 64-13, Wood Storage site

Moved by McKichan, seconded by Tone to adjourn meeting at 7:24 pm. Carried 4-0.

Respectfully submitted by Vickie Erdahl, staff member 3/17/10

Re: 2010 Street and Storm Sewer Construction
Contract 3-2010

Dear Karl,

Bids for the 2010 Street and Storm Sewer Construction project were opened on April 22, 2010. Six bids were received. A tabulation of the bids is enclosed for your review.

Forest Landscaping and Construction, Inc. of Lake Mills, Wisconsin was the apparent low bidder with a bid of \$420,645. The bid included a bid bond for 10 percent. No addenda were issued.

Strand Associates, Inc.[®] has previously worked with Forest Landscaping and Construction, Inc. on projects for the City of Stoughton, City of Lake Mills, and City of Whitewater. Based on our previous experience with this contractor, we have found Forest Landscaping and Construction, Inc. to be responsible.

We suggest that you consider evaluating Forest's financial status prior to award and other information submitted to you as required by Article 19.05.2 found in the Instructions to Bidders of the Contract Documents.

Please contact me if you have any questions regarding this project.

Sincerely,

STRAND ASSOCIATES, INC.[®]

Mark A. Fisher, P.E.

Enclosure

c: Rodney Scheel, Director of Planning and Development (w/enc.)
