2020 to 2021

Dear Safety and City Counsel,

Again we are asking approval for continued access to the businesses and venders in Stoughton. It crosses several city streets, Highway 51, County B and County N.

This is tor Snowmobilers to access the places safety during the snowmobiling season "Dec 2, 20~~19~~20 to March 31, 20~~20~~21." This trail would only be open providing enough snow and frozen ground.

Thank you for your continued support

Recently the City of Stoughton annexed farmland and county property that was not previously considered "within city limits". City ordinance prevents snowmobiles from being operated in the city without the permission of the property owner.

The Viking Snowdrifters Snowmobile Club is requesting your permission to continue to allow the use of your property for the existing snowmobile trail system.

The club will take the signed letters of approval to the city council requesting the established trails continue to be used as they have been the years past.
