Racetrack Park Master Plan
Public Information Meeting
April 22, 2021

MEETING OBJECTIVES

- Provide Overview of Conceptual Plans
- Discuss Options
- Opportunities for Feedback

MEETING ETIQUETTE

- All participants will be muted during presentation.
- Questions entered in the 'Chat' will be answered as time allows.
- Please use "Raise Hand" feature during Question and Answer Period.
- Limit Comments and Questions to 2 minutes.

WHAT ARE CONCEPT PLANS?

- Graphic starting point of the planning process.
- Type and arrangement of facilities that may fit on the site.
- Not a suitable document for construction or estimates.
- Conceptual plans provide a level of detail appropriate to evaluate options, spur discussion and provide a means to build consensus around a proposed plan.

CONSIDERATIONS WHEN REVIEWING THE CONCEPTS

- Features of the different options can be combined.
- The final master plan will be a framework for future improvements.
- Racetrack Park is a "Community Park".
- How do (or would) I travel to and use the park?
- How do (or would) others travel to and use the park?
- What improvements would make Racetrack Park better for everybody?
