Dear Safety and City Council,

The Viking Snowdrifters are asking approval for continued access to the businesses and vendors in Stoughton. The required access crosses several city streets, Highway 51, County B and County N.

This is for snowmobilers to access places safely during the snowmobile season, from Dec 15th, 2023 to March 31, 2024. This trail would only be open providing there is enough snow and the ground is frozen.

Thank you for your continued support.

VIKING SNOWDRIFTERS

STOUGHTON, WI 50 YEARS SINCE 1969

Recently the City of Stoughton annexed farmland and county property that was not previously considered "within city limits". City ordinance prevents snowmobiles from being operated in the city without the permission of the property owner.

The Viking Snowdrifters Snowmobile Club is requesting your permission to continue to allow the use of your property for the existing snowmobile trail system.

The club will take the signed letters of approval to the city council requesting the established trails continue to be used as they have been the years past.

Hi Ronnie,

STI Holdings, Inc. is willing to grant trail access to snowmobiles accross its property at the intersection of Greenbriar and Hwy 51 over winter 2023.

Please send the agreement to me for review and execution.

Thanks,
Daniele
