Discussion and possible action regarding a public meeting on racial equality
Laura Roeven stated that they will be hosting Juneteenth event on Saturday, June 19th at Chorus House. She added that there will be black artists and poetry along with a scavenger hunt and other family friendly activities. Ligocki proposed having a listening session before the event. Roeven suggested that the committee come and participate in the event. She added that the city could set up a table and asked if the committee would be interested in overseeing the "what we wish for Stoughton" table.
