Subject:	task force on police summary

Task Force's Subcommittee on Law Enforcement Policies and Standards Recommendations

USE OF FORCE BY LAW ENFORCEMENT

Duty to Report and Intervene-officers intervene and report to his or her supervisor as soon as feasible after an officer observes another officer using force

Whistleblower Protections-creating express protections for any law enforcement officer who reports,

Use of Choke Holds by Officers-statewide prohibition the use of choke holds by law enforcement officers, except in life threatening situations or in self-defense

Public Access to Use-of-Force Policies-make its use-of-force policy publicly available on a website

Statewide Standard for Use of Force by Officers-creation of a statewide standard governing use of force

LAW ENFORCEMENT TRANSPARENCY AND OVERSIGHT

Independent Use-of-Force Review Advisory Board-generally recommends creation of a statewide standard governing use of force by law enforcement officers

Body Cameras-all active duty law enforcement officers who are primarily assigned to patrol functions be equipped with a body camera, creating a funding mechanism

Statewide Collection of Data on Use of Force-generally supports statewide standardization of law enforcement agencies' reporting of use-of-force incidents

No-Knock Search Warrants-DOJ collect data from all state and local law enforcement agencies, lacked consensus on whether to recommend a prohibition against, or modification

Employment Files of Law Enforcement Officers-maintain an "employment file"

OFFICER TRAINING AND STANDARDS

Officer Drug Testing-Evaluations-written policy regarding drug and alcohol testing following an officer-involved critical incident

Officer Psychological Evaluations-condition of initial employment or certification as a law enforcement officer, individuals be required to submit to a psychological examination

School Resource Officers-school resource officer must complete training on the role

Crisis Intervention Training-complete a specified number of hours of crisis management training, increasing the DHS grant funds

Decertification of Law Enforcement Officers-creating various additional grounds on which the LESB may decertify an officer

COMMUNITY ENGAGEMENT

Community Grant Programs-eligibility for the violence interruption grant program be expanded to include faith-based organizations

Crisis Response Teams-collaborative programs between law enforcement agencies and behavioral health programs

Unnecessarily Summoning an Officer-creating legal consequences to discourage individuals from unnecessarily summoning a law enforcement
