2019 to 2020

Dear Safety and City Counsel,

Again we are asking approval for continued access to the businesses and venders in Stoughton. It crosses several city streets, Highway 51, County B and County N.

This is tor Snowmobilers to access the places safety during the snowmobiling season "Dec 2, 2019 to March 31, 2020." This trail would only be open providing enough snow and frozen ground.

Thank you for your continued support

The Viking Snowdrifters Snowmobile Club is requesting permission from landowners who are within the city limits to continue the use of the snowmobile trail that passes through your property.

City ordinance prevents snowmobiles from being operated within the city limits, and therefore the club submits landowner permissions to be approved so the established trails can continue to be used as they have been in years past. By giving your permission you are also supporting local businesses in Stoughton.

We appreciate and thank you for your continued support to the Viking Snowdrifters Snowmobile Club.
