GroundRules Suggestions (discussed at organizing meeting in June)

- Come Prepared - read the meeting minutes, agenda and other documentation shared
- Show Common Courtesy and Respect - this is a safe space for all to collaborate
- Be Trusting of Others and Self - Share your truth and hear others' truths as well
- Confidentiality - What is said here, stays here. Share your experiences and story (while keeping in mind we operate under Open Meetings law)
- Curiosity – Ask good questions; be kind, open and communicative. No Judgements
- Be Mindful of Others' time, space, needs & opinions
