Subject: Nordic Ridge Public Improvements

In November 2018, the City reduced the letter of credit to $307,377.33 for the remaining work in Phase I, II and III. The Public Improvements for Nordic Ridge Phase I, Phase II and Phase III are now complete and ready for acceptance. Acceptance of the public improvements allows the City to release the remaining amount in the letter of credit. A resolution is provided and recommended for your consideration.
