Stoughton Hall of Fame Committee

Stoughton, Wi.

Dear members.

I (along with countless people) would ask that you strongly consider Mr. John Beutel as the next Hall of Fame recipient.

John (since coming here in 1974) has had a tremendous impact on the cultural part of Stoughton! He taught school chorus, started the Madrigal program, lead church choirs, formed the chamber Singers and has done so many things that are unknown to most, but have enhanced our community greatly.

John has touched many lives here and beyond. This is especially true for the lives of students that have gone on to illustrious musical careers. Yet he has also touched the lives of our seniors by preforming at the senior center and leading musical recitals. He knows the joy of giving and is very proud to live here.

I know you would make many of our city and beyond thrilled by his selection.

Sincerely,

Richard Albright

Richard Albright and all
