This is the ordinance describing the role of the Community Affairs / Council Policy Committee – which is the standing committee designated for oversight of the Opera House Board.

Municipal Code Section 2-66 (c) (2) states the following:

Community affairs/council policies committee. The oversight responsibilities of the community affairs/council policies committee include food pantry, hall of fame, holiday fund, joining forces for families, sister city, **opera house**, cable commission, commission on aging, arts council, seniors in need, and other committees related to community or social projects, as well as rules and procedures to be followed by all standing committees and the council, policies to be followed by elected and appointed officials in the conduct of city business and all ordinances and policies concerning or affecting such subjects.

The Opera House bylaws refer to our oversight committee only in reference to the process by which bylaws are changed, but address no other potential interactions between the two entities. See the bylaws and municipal code addressing the Opera House Board attached.
