Hey Kurt,

Chief Jenks and I talked about this area earlier this morning. We had staff change the signs out on the west side of Progress Way, highlighted below in red. The signs now read "No Overnight And/Or Truck Parking". This will achieve what we are looking for, which is to remove long term street storage of various contractors parking their trucks in this area long term, but would still allow parking for those that want to use the trail head. Even though these signs are up now, Chief Jenks will be taking this to the Public Safety Committee and Council for final approval. Thanks

Hey Guys,

Hi Dan

Could you give us a quick explanation on Monday as to why there's no parking available at the north end of the river trail? I drove thru there today and it appears that the entire length of Progress Way is posted as no parking. Maybe this has always been the case and I only noticed today but it seems counter intuitive given that this is where the trail terminates and by not allowing parking, it makes it impossible for people to access the trail head unless they walk/bike from elsewhere.

I can understand why the City would want to limit parking along there, especially overnight, but wouldn't daytime parking be necessary for trail access?

Thanks, Kurt

I agree with Michael that the only ordinances that apply are the noise ordinance and the current liquor licensing ordinance. Changing the liquor licensing ordinance in a limited manner could be difficult. We won't be able to carve out an exception just for the Legion. So if we allow amplified music for this licensed premises, we have to allow it for all premises.

The City could modify the outdoor permit for licensed establishments to have this be included in an outdoor permit. Given that this would not be a zoning permit, we have a lot of discretion to establish public welfare/discretionary type standards that the City could apply in issuing this type of permit. Some factors to consider in issuing a permit could be how close residential dwellings are to the licensed premises, whether sound barriers (such as trees) exist near the property lines, whether the applicant has prior liquor license demerit points, and hours of operation. It may be beneficial to gather input from the Public Safety Committee since this is related to liquor licensing.

I would be more than happy to have a phone call to discuss this issue further or plan next steps.

RESOLUTION OF THE COMMON COUNCIL

Public Safety is recommending that the City of Stoughton Common Council approve the formation of a Stoughton Community Alcohol Committee

Whereas, there is a global substance abuse crisis, and

Whereas, according to the National Institute of Alcohol Abuse and Alcoholism (NIAAA), in the U.S. in 2019, 25.8 percent of people ages 18 and older reported that they engaged in binge drinking, 14.5 million people ages 12 and older (5.3 percent of this age group) had Alcohol Use Disorder (AUD), an estimated 414,000 adolescents ages 12 to 17⁷ (1.7 percent of this age group) had AUD, and

Whereas, also according to the NIAAA, research indicates that alcohol use during the teenage years can interfere with normal adolescent brain development and increase the risk of developing AUD. In addition, underage drinking contributes to a range of acute consequences, such as injuries, sexual assaults, alcohol overdoses, and deaths—including those from motor vehicle crashes ²⁷, and

Whereas, effects of alcohol and substance abuse in the general population include; accidents, falls, drownings suicides, depression, loneliness, emotional, health and financial stress, and

Whereas, Stoughton as part of the U.S. has a role to play in helping to mitigate this issue, and

Whereas, to have a maximum impact on this issue will require examining our practices and social issues, and

Whereas, a sustainable community is a just and equitable community, issues like alcohol abuse is part of the holistic approach to sustainability, and

Parking at the Senior

Comments:

I am requesting two changes to parking options around the Senior Center.

1. I am requesting that the parking on West Main St. in the 200 block be extended from two hours to three hours. This will aid in participants having more options to park when visiting the Senior Center for activities.
2. I am requesting that the parking lots next to the Senior Center (lots with entrances from Washington St, Page St and Main St.) be posted Senior Center Parking Only 8:00-4:30.

Thank you for these considerations. If you have further questions or need more explanation, please contact me.

To whom it may concern,
we recently moved into
2101 Meadow Green. We
were very appreciative of the
speed/radar that was put up
on 4/11/23. Speed is a huge
problem on Race Track Rd.
we personally have no kids
but I would be incredibly
concerned if I did. People
on a daily basis fly down
this road. The current
speed limit signs are 35 mph
but this very much is a
residential road. What
needs to be done to change
this to 25 mph? Every other
resident in the area has
agreed. This needs to change
before someone gets killed.
