SECTION 5. 125.51 (10) of the statutes is renumbered 125.51 (10) (a) and amended to read:

125.51 (10) (a) Notwithstanding s. 125.68 (3), temporary "Class B" licenses may be issued to bona fide clubs and chambers of commerce, to county or local fair associations or agricultural societies, to churches, lodges, or societies that have been in existence for at least 6 months before the date of application, and to posts of veterans' organizations authorizing the sale of wine in an original package, container, or bottle or by the glass if the wine is dispensed directly from an original package, container, or bottle at a particular picnic or similar gathering, at a meeting of the post, or during a fair conducted by the fair association or agricultural society. The amount of the fee for the license shall be determined by the municipal governing body issuing the license but may not exceed \$10, except that no fee may be charged to a person who at the same time applies for a temporary Class "B" license under s. 125.26 (6) for the same event. A license issued to a county or district fair licenses the entire fairgrounds where the fair is being conducted and all persons engaging in retail sales of wine from leased stands on the

fairgrounds. The county or district fair to which the license is issued may lease stands on the fairgrounds to persons who may engage in retail sales of wine from the stands while the fair is being held. If a county or district fair leases any stand to a winery holding a permit under s. 125.53, in addition to making retail sales of wine from the leased stand, the winery may provide taste samples anywhere on the fairgrounds of wine manufactured by the winery. If a license is issued under this subsection paragraph to a fair association solely for the purpose of conducting on the licensed premises wine judging or tasting events involving servings of wine no greater than one fluid ounce each, s. 125.68 (2) does not apply to these licensed premises. Not Except as provided in par. (b), not more than 2 licenses may be issued under this subsection paragraph to any club, chamber of commerce, county or local fair association, agricultural association, church, lodge, society, or veterans post in any 12-month period.

SECTION 6. 125.51 (10) (b) of the statutes is created to read:

125.51 (10) (b) 1. A municipality may issue up to 20 licenses under par. (a) to the same licensee if all of the following apply:

a. Each license is issued for the same date and times and the licensee is the sponsor of an event held at multiple locations within the municipality on this date and at these times.

b. An admission fee is charged for participation in the event and no additional fee is charged for service of alcohol at the event.

c. Within the immediately preceding 12-month period, the municipality has issued licenses under authority of this paragraph for fewer than 2 events.

2. The duration of an event under subd. 1. may not exceed one day.

3. For purposes of the 2-license limit imposed under par. (a), each event for which multiple licenses are issued as provided in subd. 1. shall count as one license toward this 2-license limit.

4. A municipal governing body or an official or body authorized by a municipal governing body to issue temporary "Class B" licenses may, upon issuance of a temporary "Class B" license as provided in subd. 1., authorize the licensee to permit underage persons to be on the licensed premises for the purpose of acting as designated drivers.

SECTION 6g. 125.68 (4) (c) 1. of the statutes is amended to read:

125.68 (4) (c) 1. Subject to ~~subd. subds. 3. and 6.~~ and s. 125.51 (3r) (a) 3., no premises for which a "Class B" license or permit or a "Class C" license has been issued may remain open between the hours of 2 a.m. and 6 a.m., except as otherwise provided in this subdivision and subd. 4. On January 1 premises operating under a "Class B" license or permit are not required to close. On Saturday and Sunday, no premises may remain open between

2:30 a.m. and 6 a.m. except that, on the Sunday that daylight saving time begins as specified in s. 175.095 (2), no premises may remain open between 3:30 a.m. and 6 a.m. This subdivision does not apply to a "Class B" license issued to a winery under s. 125.51 (3) (am).

SECTION 6r. 125.68 (4) (c) 6. of the statutes is created to read:

125.68 (4) (c) 6. No person may serve wine after 9 p.m. on premises covered by a temporary "Class B" license issued as provided in s. 125.51 (10) (b).

SECTION 7. Nonstatutory provisions.

CITY OF STOUGHTON

*207 South Forrest Street
Stoughton, Wisconsin 53589
(608) 873-6459*

The City of Stoughton has been approached by two developers to consider assigned parking stalls in the North and South Municipal Parking lots.

The Plan Commission has had multiple discussions regarding the 211 S. Water St proposal. During discussions, there was a desire communicated to the developer to require onsite parking for their residential tenants. There is nothing in our current ordinance that requires this.

There is not sufficient onsite parking spaces available to accommodate all the potential new tenants, as the commercial building would be transitioned to a multi-unit building.

The second project at 101 West Main St. is still in the design stage. There is limited parking onsite at this location as well.

The 211 S. Water and 101 West Main St. developers believe it will be challenging to market the properties without designated parking. The 211 S. Water developers have provided inventory and usage of the North and South Parking lots as well as the economic benefits of more downtown housing.

Ideas we have discussed include; random parking in the municipal lots, street parking, permit parking and leased parking spaces.

After discussion the concept of leasing spaces rose to the top. The advantages include; consistent parking for tenants, marketability of properties, controlled number of designated spaces, landlord responsible for enforcement, revenue to the city and developer potentially eligible for State of WI Revolving Loan Funds.

As part of the review to make this equitable for other downtown landlords and tenants, we are proposing to eliminate overnight parking (3-5am) restrictions to provide additional parking options for tenants. There will be parking ordinance changes required to accommodate the requests.
