III Justification of the Proposed Conditional Use Request.

1. How is the proposed conditional use and location in harmony with the purposes, goals, objectives, policies and standards of the City of Stoughton Comprehensive Plan, the Zoning Ordinance, and any other plan, program, or ordinance adopted?

The proposed conditional use is in harmony with the purposes, goals, objectives, policies, and standards of the City of Stoughton. The site location is designated as full service restaurant. The proposed use is consistent with this designation. The subject property is zoned 620 Nygaard st. it was a restaurant when this business was open and will be use as a full service restaurant and plan to serve alcohol. The restaurant has 160 seats and a bar. The property has adequate parking space.

2. Does the proposed conditional use, in its proposed location and as depicted on the required site plan (see Section 78-905(4)(d)), result in any substantial or undue adverse impact on nearby property, the character of the neighborhood, environmental factors, traffic factors, parking, public improvements, public property or rights-of-way, or other matters affecting the public health, safety, or general welfare, either as they now exist or as they may in the future be developed as a result of the implementation of the provisions of the Zoning Ordinance, the Comprehensive Plan, or any other plan, program, map or ordinance adopted?

The building located at 620 Nygaard was designed ~~and~~ for restaurant purposes. The site prior to construction was reviewed and approved based on all applicable City of Stoughton plans and regulations. (According to the owner and realtor). While the restaurant will likely draw additional traffic to the immediate area that traffic will be accommodated by the existing site and road network and anything the additional traffic will have a positive impact on the City of Stoughton. Any business serving alcohol has potential to be disruptive, concerns are minimal but can happen considering will be serving alcohol 11:00 a.m. ~~to~~ to closed the facility will be open no later than 11:00 p.m. The property is not adjacent to any residentially zoned properties.

3. How does the proposed conditional use maintain the desired consistency of land uses, land use intensities, and land use impacts as related to the surroundings of the subject property?

The proposed use will fit within an existing building. The existing building was reviewed and approved relative to all applicable City plans and ordinances, and it maintains the desired consistency and intensity ~~use~~ of use full service restaurant.

4. Is the proposed conditional use located in an area that will be adequately served by and will not impose an undue burden on any of the improvements, facilities, utilities or services provided by public agencies serving the subject property?

The full range of Urban services are available at the subject property and the proposed use will not add an undue burden to any public utility or service.

5. Do the potential public benefits of the proposed conditional use outweigh all potential adverse impacts of the proposed conditional use (as identified in Subsections 78-905(5)(c)1-5.), after taking into consideration any proposed options to minimize such impacts?

The proposed use is not anticipated to create any adverse impacts on the Village or neighboring properties, while the potential public benefits are several including; it will serve Mexican food to the citizens of Stoughton with an family environment and option for dine in for the community, customers who become regulars and can bring more business to the community and employment.

Reyes Aranda
620 Nygaard Street
Stoughton, WI. 53589

Dear Ms. Aranda:

I have completed a review of the proposed conditional use permit application for La Cantina (restaurant), 620 Nygaard Street, Stoughton, WI. 53589 – application received 18/14/19. This is an existing site/building so many zoning requirements have already been met.

1. The property at 620 Nygaard Street, Stoughton is zoned PB – Planned Business. An Indoor Commercial Entertainment use such as a restaurant is allowable as a conditional land use. **A public hearing is scheduled for the September 9, 2019 Plan Commission meeting. You and/or a representative will need to attend the meeting to present your request and answer questions. A recommendation will be sent by the Plan Commission to the Common Council for review/approval of the conditional use permit. We anticipate Council action on September 24, 2019.**
2. Indoor Commercial Entertainment is defined as follows: Indoor commercial entertainment land uses include all land uses which provide entertainment services primarily within an enclosed building. Outdoor seating or patio areas associated with a proposed indoor commercial entertainment land use shall be allowed subject to city approval of a site plan showing any such proposed outdoor seating or patio area. Such activities often have operating hours which extend significantly later than most other commercial land uses. Examples of such land uses include restaurants, taverns, theaters, health or fitness centers, ...
The proposed use meets this description.
3. The regulations pertaining to Indoor Commercial Entertainment uses are as follows:
 - If located on the same side of the building as abutting residentially zoned property, no customer entrance of any kind shall be permitted within 150 feet, or as far as possible, of a residentially zoned property. **N/A**
 - Facility shall provide bufferyard with minimum opacity of .60 along all borders of the property abutting residentially zoned property. **N/A**
4. The Comprehensive Plan, planned land use map designates this property as Planned Business which is consistent with the zoning and proposed use.
5. The parking requirement for Indoor Commercial Entertainment is one space per every three patron seats or one space per three persons at maximum capacity of the establishment (whichever is

greater). **The previous building capacity was 120 people which requires 40 parking stalls. 41 stalls are provided. We'll need details if this capacity has changed.**

6. Handicap parking spaces shall be installed at a size, number, location, and with signage as specified by state and federal regulations. **This is expected.**
7. Except for handicap parking stalls, the minimum parking stall length shall be 18 feet with a minimum width of 9 feet. **This is expected.**
8. The parking aisle width for 90-degree parking shall be a minimum of 24 feet. **The site meets this requirement.**
9. The site shall meet the off-street loading stall requirements per section 78-705. **Backing into or from the street is not allowed.**
10. All exterior trash storage areas shall be located within a gated enclosure which completely screens the view a said trash. **This is expected.**
11. Required off-street parking and traffic circulation areas shall not be used for snow storage. **Snow cannot be stored onsite which creates a vision problem for motorists/pedestrians.**
12. Any proposed signage will require a detailed plan and permit prior to installation. **This is expected**
13. State of Wisconsin approved plans may be necessary but are not necessary to begin the City review process.
