PAYMENT IN LIEU OF PARKLAND POLICY

Parkland and open spaces are important to the quality of life in any community. The City should maintain adequate parkland/population ratio because adequate parkland contributes to a sense of openness in a community.

The purpose of this policy is to have criteria to guide the use of payment in lieu of parkland.

Payment in Lieu of Parkland may be used:

1. For projects that are in-fill and have small numbers (i.e. < 25) of dwelling units.
2. When there is a need for a larger park (Community Park). The Community Affairs Community could recommend taking a smaller parkland allotment. The payment in lieu of parkland could be used to purchase land to develop a larger park elsewhere.
3. To promote higher density single family homes.

Stoughton Area Youth Center

CITY OF STOUGHTON PARKS & REC

MAY 2014

SAYC Attendee of the Month

Derek Westby, an employee of the city of Stoughton, continues to make friendly appearances at the SAYC whenever he is given the opportunity. The center, being a welcoming place to all, has remained close to Westby's heart and encourages him to come back for more.

Westby first started attending the YC when he was in 4th grade, where he inspired many with his intelligence and innate ability with technology. During his years at the YC, Westby quickly grew into the caring and giving individual he remains today while always looking to give help where and when needed.

Westby now works full-time for the city of Stoughton as the Media Production Specialist.

Westby also shares the title as Co-director of the Stoughton Inclusive Dream Park, and generously builds non-profit websites for no charge. On top of his work, Westby makes time for any child, adult, or business in need of his help all while supporting his wife, Ashley, 6 year-old twin sons, Tavy and Logan, and his 1 year-old girl, Shea.

Westby frequently makes visits to the YC with his children so that

Westby and family pose for a picture while visiting the SAYC.

they too can begin their life at the center and to experience all that it has to offer. From conversing with old friends, to working on projects or sharing his ideas, Westby's time is always well spent and cherished at the youth center.

To Westby, the YC taught him the lesson of providing community service to others with a smile. He learned how to be an influential leader, always working to his highest potential. Westby strongly believes that there will always be some form of benefit, tangible or intangible, to community service and values a job well done. Westby's life reflects these skills and attitudes, making himself a role model to many. The YC kids are lucky to have him.

Improving Life Through Food

The SAYC Kid's Kick Healthy Living Program continues to try and encourage healthy habits for the youth. While having implemented a new program, snack options are now more nutritious in order to help kids make better decisions leading towards healthier lifestyles. The YC will implement a new curriculum entitled Kids Kick. The Kids Kick program includes

games, sports, fitness activities, field trips, cooking that is both healthy and fun, and educating youth about healthy choices. The SAYC is working toward offering only healthy snacks on a regular basis. Such snacks include trail mix, fruit strips, organic milk, apples, and bananas.

A Touch of Fiesta at the YC

As spring leads into summer, the SAYC is proud to announce that it has begun its new garden program. Located in front of the youth center building, the SAYC plans to plant peppers, tomatoes, cucumbers, and sweet peas, along with a raspberry bush planted behind the building. Anyone attending the center will be able to assist with the program and see how rewarding growing one's own salsa garden can be. The vege-

tables and fruits grown will help provide healthier snacks for all those who attend the youth center.

"Anyone attending the center will be able to assist with the program and see how rewarding growing your own salsa garden can be."

Displaying Fine Works of Art

Starting the week of June 2nd, the SAYC will be holding art competitions every Thursday from approximately 4 pm to 5:30 pm in the youth center building. Contestants will be separated into age groups where they will be required to use their imagination as they create their own personal fine work of art. All contestants must recently

attend the youth center or have attended the youth center in the past. Contest winners will be decided by a majority vote from users of the SAYC website. All winners will have their artwork displayed on the SAYC website, as well as in the

youth center's new monthly newsletter.

Batter Up!

On June 14th, the SAYC will be taking a trip to a home Madison Mallards baseball game. The Mallards will take on the Wisconsin Woodchucks beginning at 6:05 p.m. at Warner Park. Anyone interested in attending should contact Greg Hoyte, the SAYC Director, for further information on the event. Transportation will not be provided

to and from the game, so please plan accordingly. There are approximately 14 tickets available for this event, so hurry while supplies last!

Volunteer Your Time

The SAYC is currently in need of volunteers to help students with after school homework. Help is needed in the areas of math, science, English, foreign language, and social studies. Volunteers are also wanted to help in areas of

YC volunteers work alongside the kids as afterschool homework is completed.

cooking, supervising children, and assisting with activities both outside and in the gymnasium. The time frame for volunteering would be anytime between 3 pm and 6 pm during the school week.

Other volunteer opportunities include helping to provide snack for those attending the center. This would entail either purchasing food or a gift card donation to a local food store to help the SAYC provide healthy snacks for the children.

The SAYC is also looking for someone to come and teach various arts

and crafts once or twice a month.

If you feel you could help benefit the SAYC in any way, please contact the center at 608-877-9980 or by filling out the volunteer form on the SAYC website.

"From slightly used to brand new, the youth center will accept any generous donation that is of interest to any program offered by the center."

One Man's Junk Is Another's Man Treasure

The SAYC is always looking for donations to help enhance the overall experience for the children. From slightly used to brand new, the youth center will accept any generous donation that is of interest to any program offered by the center. Such programs offered by the YC include a fabrication laboratory, job/interview training, computer repair, mentoring, tutoring, homework club, book club, a Reach for the Stars mentoring and

leadership program, and many more.

Equipment for indoor and outdoor sports/activities is always needed as wear and tear can be quickly noticed as the year proceeds on. In addition, nutritious food or gift card donations are always appreciated to help provide the youth with daily healthy snacks.

If such items can not be donated under certain circumstances but

you would still like to contribute to the youth center, please contact Greg Hoyte at ghoyte@ci.stoughton.wi.us or by calling 608-877-9980.

For monetary donations, please make checks out to Friends of the Stoughton Area Youth Center. Check out the SAYC Facebook page and website for further information on needed donations as they frequently change.

Plan Ahead

The Fête de Famille is a family-oriented festival that will be taking place inside the Mandt Community Center on Saturday, August 9th from 1 p.m. to 7 p.m. There will be food and drinks for purchase at the event, as well as all sorts of family fun. Activities will include a balloon artist, a silent auction, inflatables, a dunk tank, and emergen-

cy vehicles for the entire family to engage in. Rooms will be comfortably air conditioned, so the event will go on rain or shine, freezing or blisteringly hot! Bring your family down for an afternoon of delight at this event helping to raise funds for the SAYC.
