9-25-2014

Requesting snowmobile access trail to BBG's, Culvers, Arby's & Deaks for food, and PDQ for gas.

Crossing highway 51 and Roby Road.

The snow season statewide goes from December 1st to March 31st.

The Viking Snowdrifters Club of Stoughton asks for your blessing and support to legally ride our snowmobiles to patronize these businesses (open for business.) Last year 3 day trial run went well, "no complaints".

Snowmobilers from all over the county came to Stoughton. Common sense and warm weather may periodically close the trail. I am asking for your input and approval for the full season December-March.

No more, no less.

Best regards,

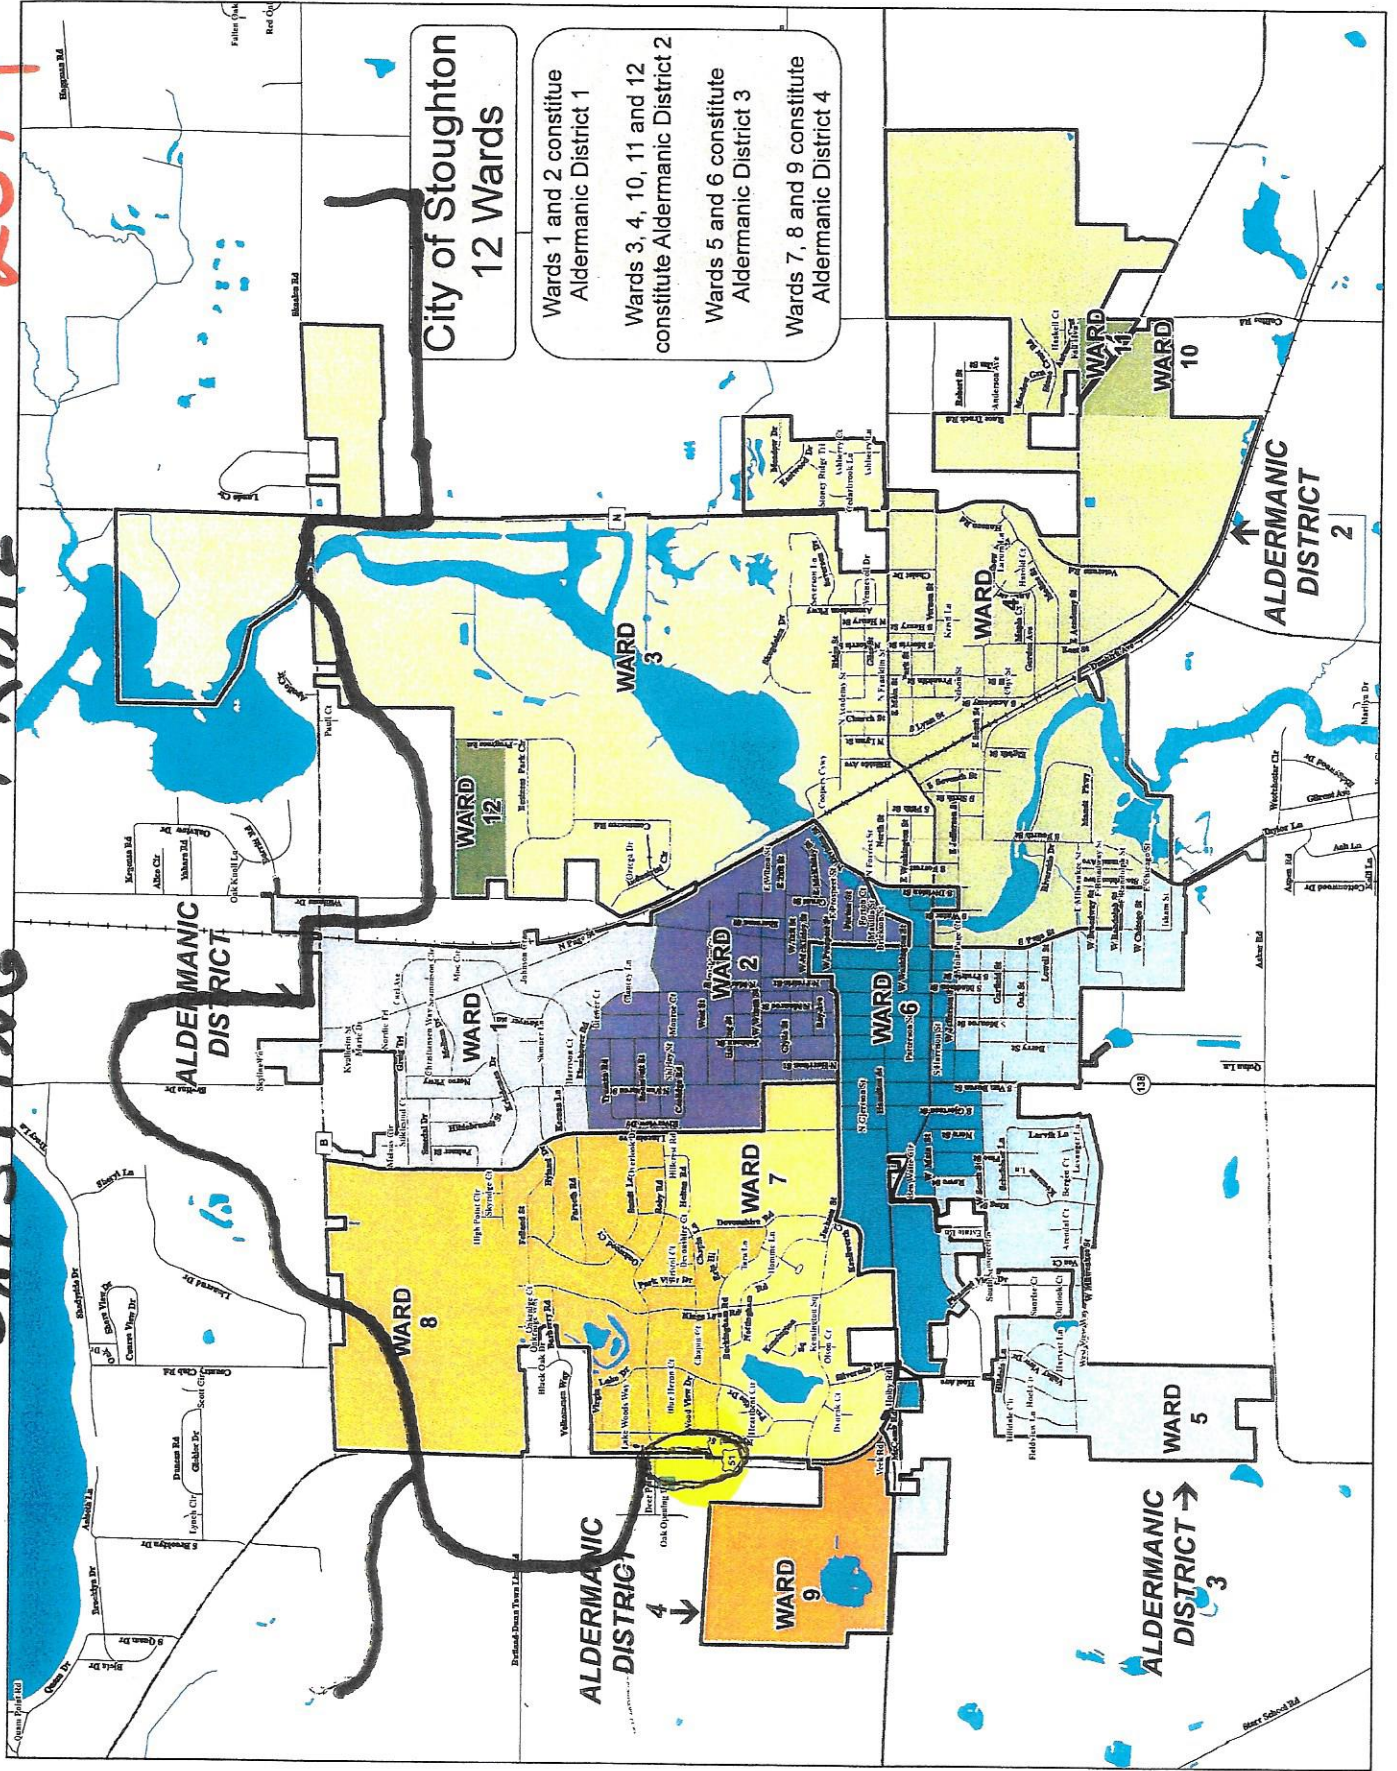

Jim Blouin
