Such petition shall contain a statement under oath that the person has made reasonable attempts in good faith to find and attract such a buyer, as well as such further information deemed reasonably necessary by the commission for the purpose of evaluating the petition.~~
- ~~(b) Following the filing of such petition, the owner and the commission shall work together in good faith for up to six months to try to locate a buyer for the subject property who is willing to comply with the designation. If at the end of the six months no such buyer can be found and if the owner still desires to obtain such rescission, the commission shall rescind its designation of the subject property.~~
- (eb) In the event of rescission, the commission shall notify the city clerk, building inspector and assessor of the rescission and shall cause the rescission to be recorded at its expense in the county register of deeds.

- (d) Following any such rescission, the commission may not redesignate the subject property as a landmark or landmark site for at least five years from the date of rescission.

**Sec. 38-40. - Procedures.**

- (a) Before establishing any landmark or landmark site, the commission shall hold a public hearing thereon after giving at least ten days written notice of such hearing and appeal procedures to the owners and occupants of the affected premises and the owners of land located within 200 feet of the affected property. Notice of such hearing shall also be published as a class 1 notice under the statute. The commission shall also notify the building inspector and the public works committee of the hearing and they may respond to the commission's proposed designation in writing or by appearance. At any time after the closing of the public hearing, the commission may recommend that the city council designate the affected property as either a landmark or landmark site. Upon the request of any aldermember or the owner of a landmark or landmark site, a public hearing shall be held by the city council before it votes on whether or not to establish the landmark or landmark site. Notice of such designation shall be given to the property owner, the city clerk, building inspector, assessor and the county register of deeds.
- (b) The owner of any landmark or landmark site may, following the designation of the property, enter into voluntary restrictive covenants on the property with the commission. Notice of the time, place and purpose of such hearing shall be given by publication as a class 2 notice under statute in the official city newspaper. Such notice shall also be sent by the city clerk to the aldermember of the aldermanic ward in which the historic district is located as well as the owners of record, as listed by the assessor, of property located at least in part within the district at least ten days prior to the date of such hearing. - (c) Upon receipt of such recommendation, the city council may by majority vote either designate or reject the historic district. The city council shall hold a public hearing prior to its vote on designation at which all interested persons shall be given reasonable opportunity to be heard. Designation of the historic district shall constitute adoption of the plan in ordinance form prepared for that district and direct implementation of such plan.
- (d) Every person in charge of any landmark, landmark site or improvement ~~or improvement~~ ~~parcel~~ in a historic district shall conform to the guidelines for development of land usage for property within the district as well as any regulations developed under this article.
- (e) Following the designation of the historic district, the city council shall direct the plan commission to modify the official zoning map to show the property within the historic district as special overlay district H.
- (f) To the extent to which such is reasonably possible, the commission is empowered to invoke the provisions of sections 38-36 and 38-37, giving due consideration to the larger area of land involved and the degree to which the proposed change would materially affect the preservation objectives and design criteria of the historic preservation plan as duly adopted by the city council.

**Sec. 38-42. - Maintenance of improvement on landmark site or within historic district.**

Every person in charge of an improvement on a landmark site or within a historic district shall keep in good repair all of the exterior portions of such improvement to prevent it from becoming damaged or falling into a state of disrepair.
