

Stoughton Redevelopment Authority
Meeting minutes
November 9, 2022

Communications: Discussion regarding the marathon site progress. General observations regarding siding changes from the walkthrough.

Roger invites the group to tour the Burno site east of Stoughton by Coachmans.

Meeting Minutes – Motion to approve Roger 2nd Pete, unanimously approved.

Chair Report

General updates to the riverfront site. Updates provided by Dale regarding Curt Brinks progress with the site. Looking like a spring start for construction.

UW Madison Report – Katrina Becker provided an update to the UW project. Wauwatosa, Richmond VA, Sydney Aus. More updates at next meeting. In person Stoughton stake holder meeting Friday Dec 9th 2-4. All 11 UW Students will present projects and collaborate with each other and various stakeholders. Total of 25 people.

Old Business-

Riverfront Redevelopment – Discussion about the environmental grant and timeline needed for the grant, discussion with closing on the land to Curt Brink and any changes needed to the purchase agreement. Possible joint meeting would be required in December. Updates were given about the trail and riverfront restoration.

Depot Hill – Gary Becker and Mayor were able to meet with the owner of Viking Storage. The building was originally built as lumber yard, racking inside. Owner is open to options with the building. Potential site for the Innovation center.

River Bluff – Discussion on the Armory building and wanting to meet/discuss with the School Board.

Adjourn – Pete /Dave
