### **Latest Management Report, Financials and Renovation Updates**

BMC provided a summary of the attached January 20, 2021 Management Report and unaudited December 31, 2020 Financials.

### **Fire System Update**

Covered in the Management Report discussion. Some questions are outstanding and BMC will send the final decision to the Housing Authority at a later date.

### **Discussion and possible action regarding seeking out grant and other alternative funding sources to complete future renovations**

Sue informed the Housing Authority that they have attempted to reach out to Tom Landgraf and have not received a response yet. The other option available is to move forward and work with Paul Schechter of Sunny Side Development to submit a grant application to the Federal Home Loan Bank of Chicago or Indianapolis.

Based on the history BMC and the Stoughton Housing Authority has with Tom Landgraf, the Housing Authority would like to give him some additional time to respond. However, the Housing Authority recognizes the expertise of Paul Schechter and his team as well and has no concerns moving forward with Sunny Side Development should Tom not wish to participate.

Motion by Hundt to give Tom Landgraf until the end of January to reply and authorize BMC to reach out to Paul Schechter after that to begin working on the grant applications, second by McGlynn. Motion passed 4-0.
